Notes:

A suggested honorarium of \$300.00 is to be given to the pastor, either at the time of meeting with him or on the wedding day.

Please note that when a pastor is contacted, he will agree to the date only, and not to performing the wedding ceremony until after he has met with the couple. That agreement to perform the ceremony is made at the pastor's discretion after discussions with the couple.

**These officiates will perform both first and second weddings.
